

## **Trident Products and History**

Artists Trust Trident.

When materials matter – and to artists, materials most definitely matter – look to Trident for quality and experience. Headquartered in Palm Beach, Florida, Trident is first and foremost a manufacturer of art equipment.

We've spent decades creating high-quality artist equipment, from sturdy, beautifully crafted solid wood easels to drafting supplies to taborets to artist supplies and much more.

Trident's philosophy is simple: We combine technology and retailing to bring you the finest art products at affordable prices. We've become a household name trusted by artists, professional designers, and those who value aesthetics, and we are always available to help you on your creative journey.
